Dear **COO Galano**:

This refers to the BLCI's submission of its revised 2025-2034 Distribution Development Plan (DDP) and Power Supply Procurement Plan (PSPP) to the Department of Energy (DOE) dated 7 May 2025.

Having reviewed BLCI's 2025-2034 DDP and PSPP, the DOE confirms that its comments in the checklist were addressed by BLCI.

In this regard, BLCI is advised to post the above mentioned 2025-2034 PSPP narrative report, attached as *Annex A*, in its website **within fifteen (15) working days upon receipt of this letter** for it to be considered as the final and accepted BLCI 2025-2034 PSPP and DDP<sup>1</sup>. Please note that non-compliance will void the acceptance of BLCI's 2025-2034 PSPP and DDP and reversal of the matter will require another acceptance, including its justification, from the DOE.

Further, BLCI shall submit to the DOE, through [doe.ddpsubmissions@gmail.com](mailto:doe.ddpsubmissions@gmail.com), a proof of compliance of the posting of the said PSPP narrative report in its respective website.

For any further clarification, you may communicate with Ms. Madonna M. Naling, Chief of the Power Planning and Development Division, who may be reached at email address [doe.ddpsubmissions@gmail.com](mailto:doe.ddpsubmissions@gmail.com).

Please be guided accordingly.

Thank you.

Very truly yours,
